

First Generation

1. Francesco "Frank" LoDico was born on Jun. 2, 1886 in Marianopoli, Sicily. He died on Apr. 22, 1949 at the age of 62 in Mansfield, Mass.. He was buried in Mansfield, Mass.. 1907 - Francesco Ignazio LoDico (21), eldest son of Ignazio and Francesca Paola LoDico has his life threatened over a girl. Francesca, fearing the worst for her son, sends him to the United States. He boards the Sannio, out of Palermo and arrives at Ellis Island on September 26, 1907. Francesco travels to Syracuse / Buffalo, NY to live with the Restivo or Ristagno family.

He married the former Catherine Lillian Cartwright Lanergan and they had 4 children

together. Francesco (Frank) was very proud to be American and was quite patriotic. He was a Barber by trade and a sign painter, but it was the depression, so the family was not wealthy, but they did alright considering the times.

Frank was renowned as a terrific gardener and grew squash and zucchini that were 3 ft long! We have photos of him holding one of his famous vegetables.

Frank had a reputation as a prankster. When he first opened his barber shop in Mansfield, Mass., in the late 1920's, he would constantly tease and joke with the old Italian men who came to hang out at the barber shop. One story tells of how he would entertain the men with tales of his fighting in the Risorgimento and as a Carbonari. He would tell them before he served as a Sicilian patriot he was tall and strong. He would say now, after years of fighting for Sicily, he was shrinking. He would point to the ceiling fan and show how he could just reach the pull cord. The next day he would come in early and shorten the cord. He would tell another tale and then end with reaching for the pull cord. The old men looked on in wonder as he could not reach the cord. Only when they agreed he was shrinking would he burst out in laughter and tell them the joke.

Frank died suddenly of heart failure when in his late 50's. His wife Catherine moved to Attleboro to live with her daughter Paula and they worked at Balfour Company in Attleboro, MA. When Joan was divorced from her husband, she joined her mother and sister and they resided together. Catherine (Kay) died in 1973 of heart failure.
